Addendum 1

PON – 09-001

GRANT SOLICITATION APPLICATION PACKAGE

ENERGY EFFICIENCY AND CONSERVATION BLOCK GRANTS

The purpose of the Addendum is to:

- Ensure that applicants are in compliance with federal and state prevailing wage laws,
- Provide applicants with a revised Attachment E - Task Budget/Payroll information, AND
- Provide a new Attachment to the application, Attachment K – prevailing wage compliance and certification.

All applicants must complete the amended [Attachment E](#) (Budget) and the new [Attachment K](#) (prevailing wage law compliance and certification) and submit them to the Energy Commission no later than the deadline to submit applications, January 12, 2010, at 4:00 p.m. PST.

If you have already submitted your block grant application, you must update your application by completing these forms and submitting them as a supplement no later than the application deadline. If you are not certain that the federal Davis-Bacon Act or California prevailing wage laws apply to your project, you can e-mail EECBG@energy.state.ca.us for further assistance.
